Members Needed – Local Health Involvement Group

Prairie Mountain Health is currently looking for new members for the Local Health Involvement Group in this area.

Local Health Involvement Groups are made up of citizens who care about health and health services. They are established to explore and provide advice to the Prairie Mountain Health Board of Directors on issues that impact the delivery of local health services. (Regional Health Authorities Amendment Act – Section 32).

If you are interested in applying to be a member of the Local Health Improvement Group, please contact the Municipal Office for more information.
