Bridge Closure

Mossey River Municipality has recently had to close 2 bridges. The bridge commonly known as **Gower Bridge** on Road 107W between Road 168N and 170N has been closed on the advice of an engineer.

The bridge commonly known as **Sime Bridge** on Road 170N between PTH 20 and Road 108W has been closed for repairs. A new **height restriction** will be placed on the bridge in conjunction with these repairs.

Please follow all traffic signs at these bridges as they are in place for your safety and the safety of others.
