

Dear Resident,

OSS is excited to announce that your Residential Single Stream Recycling and Waste Program will begin September 2016! Today you have received your new recycle and waste cart, along with a collection calendar for 2016/2017, and brochures that describe what materials you can recycle and other information about these programs.

### **Carts**

Your cart will be collected from the same location that it was delivered. In between collections, please move the cart to a secure location that is convenient for you to use.

### **Collection**

Your cart will be collected every two weeks. Please see the collection calendar on the reverse side of this letter for your collection day. On collection day, remember to have your cart out for collection by 7:00 am.

Please Note: PDRI will still provide blue box recycle service  
Until September 2nd, 2016.

*Please save this calendar for future reference.*
