

Winnipegosis Fall Clean Up Day

Tuesday, October 2, 2018

The following waste items or products will be picked up by the Municipal Public Works to assist in the Fall Clean Up of our community:

- 1) **Burnables** – Branches (maximum length of 3 ft.) boards, wooden furniture, etc.
- 2) **Compostables** – Leaves, grass clippings, garden materials, etc. (must be bagged)
- 3) **Metals** – Small to medium sized items, appliances, scrap iron, electronics, etc.
- 4) **Toxic/Flammables** - Chemical waste containers, old rubber tires, etc.

Winnipegosis Hardware Store recycles used paints, solvents, and fluorescent bulbs.

NOTE: Branches from a complete cut-down tree and demolished buildings will NOT be picked up. Any Freon appliances must be tagged by a qualified professional. Products that are deemed to be of reasonable size will only be picked up.

Maximum weight per bag is 50 pounds.

Household garbage will be picked up on the regular scheduled garbage day and not picked up on this day.

Rain Date set for October 3, 2018
