

Mossey River Municipality Meeting Minutes

Construction/Gravel Committee Meeting January 30, 2025 - 02:00PM

Present: Councillor Larry Pascal
Councillor Greg Boyko
Councillor Barry Heppner

Public Works Supervisor – Gerry

Vermette

Not Present: Reeve Reynold Sahulka

1 Meeting Called To Order

the meeting commenced at 2:00 p.m.

2 New Business

2.1 2025 Gravel Program Discussion

Committee approved the designated areas for the contract hauling.

- 9250 cubic yds to be applied on roads
- 2000 cubic yds for stockpiling
- 3500 cubic yds at various locations as needed

There was a discussion of the Municipal truck hauling, possibly hiring a casual staff to be dedicated to gravel hauling only, someone familiar with the municipality and our equipment.

2.2 Ditching

2.3 Surface Rehabilitation Projects

Project 2025-15R - discussed ripping specific sections and renting a stone picker to pick stones, this will be more cost effective than hiring the grinder to rehabilitate these sections of roads. These are second and third grade roads - approved by the committee.

Project 2025-14R - 2 miles of first and second grade roads, rip and grind stones to rehabilitate the road sections - approved by the committee.

2.4 Rural Road Improvements

2.5 Urban Sidewalk Repairs

2.6 Urban Curb Stop Repairs

2.7 Brushing Projects

2.8 3rd Grade Roads Discussion

- Need to develop a plan for reconstruction and rehabilitation of third grade roads
- Prioritize roads that need to be upgraded
- Tabled to next meeting for further discussion.

3 Adjournment

The committee meeting concluded at 4:00 p.m.

Chief Administrative Officer

Reeve
