- 2 Delegations**
 - 2.1 Presentation by Sherry Lytwyn**

Mrs. Lytwyn had concerns rather than objections. She wanted clarification on who was actually receiving the waste & Recycling services and how we determined the estimated costs. We explained that all residential properties with a dwelling in the Village of Winnipegosis and town of Fork River we being levied and that the costs were determined by a ten year agreement the Municipality has with OSS. Set costs and yearly increase are set forth in the agreement.

Mr. Hucaluk had concerns as he does not use the service, and the OSS truck damage the road when they turn around.
